

## **“HIPAA Compliance for Employers - Shared Strategies and Common Challenges”**

- WHAT:** A national conference for employees and employers responsible for ensuring compliance with the new HIPAA regulations
- WHY:** To learn from industry leaders, government specialists, and enforcement officials about competitive practices and implementation strategies and to meet with professional peers to share effective business modules
- (Presenters include representatives from: Office for Civil Rights, Shell Oil, Wendy's International, Quebecor, AdminiStaff, and Mutual of Omaha)*
- SPONSORS:** The Workgroup for Electronic Data Interchange (WEDI)  
The Society for Human Resource Management (SHRM)  
The Centers for Medicare & Medicaid Services (CMS)
- WHO:** Human Resource Professionals, Benefits Administrators, In-House Counsel, Privacy Officers, Sponsors of Employer-Sponsored Group Health Plans, and Employees of Group Health Providers
- HOW:** The conference programs are developed in a panel setting where attendees can interact with panelists to analyze unique business settings and individualized HIPAA requirements
- WHEN:** July 29 – 30, 2003
- WHERE:** New Orleans, Louisiana – The Sheraton on Canal Street
- CEUs:** SPHR & PHR recertification credits for human resource professionals  
CLEs for attorneys (pending approval)
- MATERIALS:** Participants will receive a comprehensive CD that includes: conference presentations, white papers, sample documents, and guidance materials from CMS and OCR.
